! CENTRE UPDATE !

Currently the centre and our occupants are facing some major medical emergencies.

We have:

15 puppies waiting for neutering

2 dogs waiting for hernia operations

1 dog facing amputation.

🐱 we need you to visit our shops.

🐱 we need you to attend our events

🐱 we need your donations of clothing, furniture, anything sellable

🐱 we need you to fundraise for us, locally and abroad.

🐱 we need you to sponsor our animals for £10 per month (generates regular income)

Help us to help our dogs and cats get the medical attention they need.

Thanks for listening! :)
